

## High Performance Driver Education

### Cabriolet/Convertible, Targa, or T-Top Rules and Guidelines

Dear PCA event participant / driver,

Thanks for choosing to run with MORPCA. Perhaps you've driven on the track before, or maybe this will be your first time. Either way, we know High Performance Driver Education (HPDE) can be both exciting and intimidating for some. We want to put your mind at ease and inspire you. The adventure on which you're about to embark is truly exhilarating. In simple terms... you're gonna have a blast!

If this is your first time on track or first time with Porsche Club of America (PCA), you may have many questions. It doesn't seem that long ago I was attending my first DE, and I was filled with questions. Here are a couple of resources that may help:

\*\* Drivers Education Guide: <http://mor.pca.org/driver-education/hpde-guide/>

\*\* A lap around Mid Ohio video: <http://vimeo.com/44938835>

Also, please review all of the documents linked in emails from [www.clubregistration.net](http://www.clubregistration.net), or see the PDF documents at <http://mor.pca.org/linked-files/>. There won't be a quiz so you don't have to memorize them! Just start to familiarize yourself with the rules and guidelines.

All of the Event Staff is here to help. See the Welcome Letter for contact information.

Also, as soon as Student-Instructor assignments are finalized, you'll be provided with an email address for your instructor so you may converse with him or her prior to the event.

WELCOME TO PCA DE! Prepare to learn more about your car and driving than you thought possible, and have fun doing it.
