Fall is officially here! After a summer packed with well-attended and fun social events—Drive & Dines, the Great Drive, and Third Thursdays—it's been wonderful to see so much energy and activity in our community.

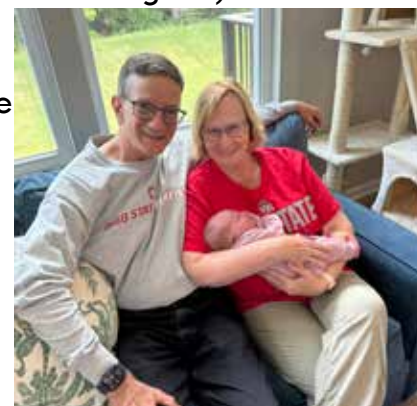

With the change of seasons, it's time for our first **Trickle Charge** event on **November 8th**, 10am–noon at **Rife's Auto Body in Grandview**.

This session's topic: **Motor Oils & Oil Analysis**, presented by none other than **Lake Speed Jr.**—formerly of Joe Gibbs Racing, Driven Racing Oils, and Total Seal Piston Rings. Lake is a certified lubrication specialist (a real “tribologist”) who now runs the YouTube channel *The Motor Oil Geek*, where he dives into testing, comparisons, and dyno runs. If you want a sneak peek, check him out here:

The Motor Oil Geek on YouTube (<https://www.youtube.com/@themotoroilgeek>)

Another update: our **Annual Party** has been moved to **January**. We know December is filled with holiday festivities, travel, and (for Buckeye fans) plenty of football! So enjoy the season, and we'll all gather in January—just when we'll need the warmth of good friends the most, since Ohio driving weather won't be quite as fun as the past few months.

Mike and I are proud new grandparents as of August 27th.

Everyone loves a good discount, but when it comes to one of the biggest transactions of your life, are you willing to trust just anyone?

You may have heard...

Discount agents have a reduced listing fee.

You may not have heard...

This means they'll need to (somehow) make up for the lack of commission in volume. You could find yourself in the hands of someone with little experience and resources, and accessibility and support could be very limited.

When you're ready to buy or sell your home, you need an agent that is qualified, knowledgeable and will give you the attention you deserve.

Sixth Sense

Negotiations are inevitable. You need a pro who can anticipate what's coming and has your back.

Nose like a Bloodhound

Although a discount agent can present an idea of what homes are out there, they may not know about hidden gems. Like the soon-to-be-available or the for-sale-by-owner, RE/MAX® agents work hard to track down the unnoticed.

Native Tongue

Want to know the statistics on a desired neighborhood? Or the details on a particular school? RE/MAX® agents have the best secrets only a local would know.

Steady Hand

Each state plays by its own rules. You want an expert who knows how to (and spends the time to) dismantle obscurity, so your deal doesn't fall through the cracks.

The Tool Belt

Virtual home tours. The user-friendly mobile app. A few well-timed dad jokes. The RE/MAX® agent is always prepared with the highest quality arsenal.

At RE/MAX®, we're with you every step of the way.

Great Drives – Let's Start Dreaming for 2026!

It feels like we just got back from our unforgettable Finger Lakes adventure... and we're already revving up for **Great Drives 2026!**

But before the tires hit the twisties, we've got to tackle the most challenging (and exciting!) part of the planning process: **choosing the destination.**

If you're new to the club or just curious: **Great Drives** is our signature multi-day road trip event, built for drivers *and* navigators alike. It's all about scenic routes, twisty roads, camaraderie, interesting destinations, great food, and comfy digs at the end of the day. In short—it's a Porsche lover's dream long-weekend.

But finding the right combo of upscale lodging, interesting local sights, and drool-worthy roads

isn't always easy. Oh, and a decent restaurant nearby? That's the cherry on top.

That's where **you** come in! Got a dream destination in mind? Know a scenic spot with roads that beg to be driven? Or maybe you just want to help plan the fun? Join our **Great Drives** Committee! We meet virtually (no driving required—yet!) and keep our meetings to about an hour. There's a bit of homework involved, but it's low-pressure and can be done on your own time. Plus, we know you've got the skills.

Shoot me an email at vicepresident@morpca.org if you have a suggestion or want to get involved. Let's make **Great Drives 2026** the best one yet!

Philanthropy with a Porsche Twist

Giving back has always been part of MORPCA's DNA. Each year we roll up our sleeves for at least two charity events. In the winter, members pitch in for a food drive to benefit Mid-Ohio Food Collective. Back in the P2O days, we teamed up with a featured charity that provided volunteers and received a donation.

Our track events have also turned laps into giving opportunities. Parade laps at HPDE weekends often raise funds for a local cause. This Labor Day, our Drive & Dine crowd headed straight to the track for parade laps, joined by anyone else who wanted to hop in. The result? A fun day and \$388 raised for Hilliard Food Pantry—proof that generosity runs just as strong as horsepower in our club.

Want to excite your daily commute or
exceed your track day dreams?

HPDE Third Annual Labor Day DE By Frank Todaro

Labor Day weekend brought great weather for a driver education event at Mid-Ohio. It is rare to be treated to perfect weather for the three-day weekend but we pulled it off. We enjoyed a fun safe weekend. Friday after the track walk, we had a pizza party where drivers had a chance to meet some of the drivers they would be driving with over the weekend. Saturday, we did charity laps at lunch where guests were encouraged to go out and drive the track and Saturday night we had a Hot Dog cookout in the paddock. Special thanks to the MORPCA DE staff who worked so hard to make this a success. Thanks to Sarah Beal, Ken Bigham, Mark Walters, Bob Curley, Doug Blackburn, and Tom Todaro for all their work in making things run smoothly. Also thanks to our volunteers who spent their weekend with us.

Enjoy the picture recap of the weekend on pages 17 and 19. Photos courtesy of Alan Shultz
